

RIBBON

Artfully Crafted.

RIBBON | BY GARY LEE PARTNERS

Ribbon engages Decca's unique manufacturing capabilities to evoke a sense of fluid movement and graceful form. The Ribbon base is artfully crafted of stainless steel transformed into a supple, dancing shape that makes a distinct dynamic statement.

RIBBON

In a large format, the Ribbon table is equally suited for use as a conference or for dining table. Occasional and side tables round out the collection, adding simple, elegant accents to a space.

- Ribbon table bases are available in all 16 Decca metal finishes
- Tops can be specified in Decca Stone, Glass, Solid Surface and Cambria Quartz

ABOUT GARY LEE PARTNERS

Gary Lee Partners is an independent interior design collective that harnesses the power of space to elevate how people think, work, and live in the physical environment. Since 1993, the firm's creativity has contributed to the success of some of the world's most respected organizations and created a sense of place for residents around the globe.

As a collective of divergent thinkers with unique backgrounds, experiences and talents—their clients' objectives drive everything they do. They are problem solvers, strategists, artists, but above all, they are partners.
