ABOUT GARY LEE PARTNERS

Gary Lee Partners is an independent interior design collective that harnesses the power of space to elevate how people think, work, and live in the physical environment. Since 1993, the firm's creativity has contributed to the success of some of the world's most respected organizations and created a sense of place for residents around the globe.

As a collective of divergent thinkers with unique backgrounds, experiences and talents—their clients' objectives drive everything they do. They are problem solvers, strategists, artists, but above all, they are partners.
