

SUPERSPAN

Seating Plus.

SUPERSPAN | BY BRIAN GRAHAM

Beyond a generous and supportive seat, SuperSpan creates a platform that anchors open and ancillary spaces without dominating its surroundings. With its long, low lines and tailored upholstery, SuperSpan is a visually compelling piece that offers a canvas on which to intermix colors, textures and finishes.

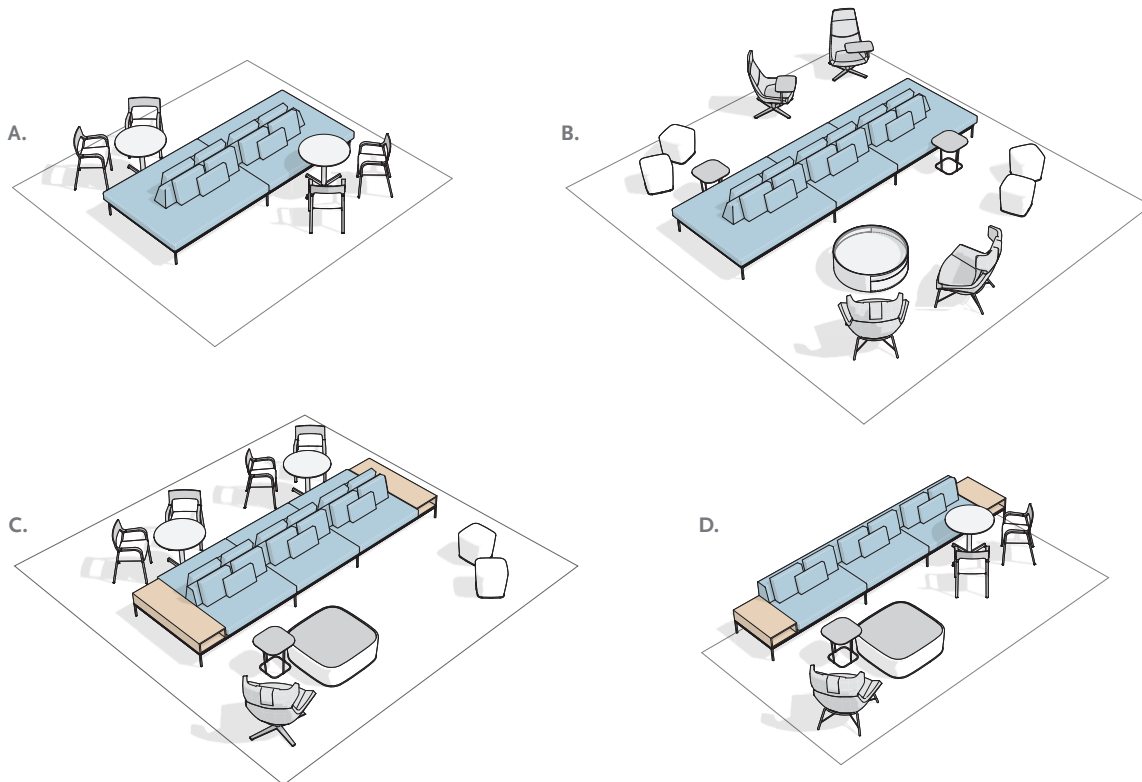

SUPERSPAN

Ideal for lobby and reception areas, as well as open, multi-functional spaces, SuperSpan works in concert with a mix of tables and chairs to enable collaborative work and informal meetings.

- Integrated surface + storage expand functionality. Available in standard + exotic wood veneers.
- Elevated stainless steel base atop narrow legs maintains visual lightness. Available in standard + premium finishes.
- Available with integrated USB + wireless charging.
