**Basis Media Wall**

The **Basis Media Wall** provides an architectural presence to the modern conference room environment. The Media Wall is composed of three elements, a left hand, center and right hand cabinet, each offering a separate functional attribute. These cabinets are each offered in one standard configuration and finish and are not interchangeable.

**Media Wall installation requires the attachment of units to wall via included wall cleats. Securing of units to the wall is the responsibility of the owner.**

Mounting hardware for flat screen is not included.

**Right Hand Cabinet**

- 15" deep cabinet in painted finish
- One coat rod
- One fixed shelf above coat rod in painted finish
- Hinge door in painted finish (locks are optional on door fronts and must be specified at time of order)
