

CONFERENCE

DECCA | CONTRACT

Decca Conference is a line of extraordinary conferencing furniture set apart by design, quality and the beauty of craft, providing a place to gather and converse, collaborate and connect. A Decca table is the tangible presence of character, integrity and excellence, realized in a n array of forms and a spohisticated palette of materials to offer exceptional creative choices.

Offering complete custom capabilities, the Conference "Made To Order" program allows the product to be tailored to your exact specifications. Express a unique design statement realized through premium materialsd, quality finishing and uncompromising attention to detail--all Decca hallmarks. We welcome custom requests. Look for the MTO symbol throughout this price list.

GENERAL PRODUCT SPECIFICATIONS

VENEERS

All exposed surfaces are offered in hand selected veneers. All veneer surfaces are book-matched resulting in superior wood grain aesthetics.

WORK SURFACES

Desks have profiled edges front and back and flush side panels. All worksurface height tops also have chemically impregnated polycell backer for additional worksurface durability.

FINISH

A multi-step modified polyurethane finish is applied to all finished cases.
